Information Sheet for Players

- 1. Depending on registrations, the pairs will be arranged into Round Robin pools. Ranking will be established with the number of matches/sets won.**
- 2. Each match will be the best of 3 sets which is to be played to 21 points with setting. However, due to time restrictions on courts and the registrations to the competition, the scoring system may be altered by the organisers on the day of competition. If two teams are tied, the winner will be decided based on margins (winning sets and/or points minus losing sets and/or points). The top two ranked teams will be in the final rounds.**
- 3. There will be restrictions on shuttlecocks on a per set basis.**
- 4. Please come prepared to umpire another match in which you are not playing. The social competition is based on the honesty of players with regards to the shuttle landing within the lines of the court. If there is a disagreement between competing pairs the disputing point is to be replayed.**
- 5. Once match has finished, please record the results in a match form provided and submit the umpiring scoresheet to the organisers. Both teams need to sign the match forms.**
- 6. There will be a light lunch provided around mid-day for players.**
- 7. Although winners and runner-up will receive prizes. AMWA thank all players for participating and supporters for making this competition a social event.**
- 8. Any disputes not amicably settled between players will be arbitrated fairly by the organisers and their decision will be final.**
- 9. AMWA and its organisers will not be held liable for any personal injuries or incidents during or after this competition.**
